

Rocklin Branch 98 August 2008 ISSUE

BIG SIR: Marlin Larson 791-6049

Our July luncheon/meeting was well attended-with 141 members and guests; we installed eight new members bringing our total membership to 196. We will continue with the free lunch program until we reach our goal of 200 members. Remember bring in a new member and both receive a free lunch.

At our July board meeting we voted to limit the front head table. Officers will be able to sit and enjoy lunch with the group. Plus we need the space for the members. Good news on a fishing group. Howard Rice has volunteered to be the chairman. If you are interested in Fishing call Howard at (916) 543-0534 or e-mail Howard at howardfrice@sbcglobal.net and check the Roaster Tail for input from Howard on fishing.

Don't forget to bring money/check to the Aug. meeting so you can purchase tickets to our annual Picnic on-----Sept 9th ----Cost \$20 each.

Wish to thank our nominating committee, Len Sampaio, Bob Zimmerman & John Winger for putting together a great list of nominees to serve as officers in 2009.

Looking forward to seeing you at the Aug. luncheon/meeting. Hoping it will be cooler and no smoke. From the state Insurance Commissioner:

PLEASE - NO CELL PHONES

Using a cell phone while driving to and from a SIR activity (ie. A branch meeting, a SIR golf tournament, etc.) may be a very costly event for you and for SIR. The recent change in the motor vehicle code seems small, but the real impact is the problem a cell phone user incurs in the event of an "at fault" accident.

To protect yourself, your passengers, and SIR, **Please do not use your cell phones while driving.** If you must make a call, please pull over, stop your vehicle, and then make your call.

LITTLE SIR: Doug Hinchey 652-5454

"Common Items That Can Improve Your Golf Game"

Frank Garland, Golf Pro at Teal Bend GC for about six years is a golf professional, teaching individuals and groups. He turned professional in 1999 after being a former PGA Apprentice. A retired USAF Reserve, former Pentagon Staff Officer, Aircraft Maintenance Office, KC135 Navigator, Frank shares some ideas on improving your golf game with items you have around the house. He has also been teaching golf at Sierra College for seven years. Come get some insights on starting to play or improving your game. Lets welcome Frank Garland!

RV TRAVEL: Dick Ciccarelli 791-5877

We got a blowout last month at Duck Island, Rio Vista. The wind never did stop blowing for four days. The clubhouse was a welcome place for our usual fellowship, potlucks and games. June will find us at Campers Inn RV Park, Dunnigan. Nine rigs are scheduled to celebrate a 4th of July Indoor Picnic without fireworks. Wish that you could be with us; you can if you give me a call.

Is our hot summer almost history? I enjoy summers, but the heat gets to me! Our monthly meetings have been "cool". I really enjoyed last months. Jim Barr was great! I remember seeing him pitch at Candlestick. Walt Grey was also excellent in June. Thank you, Doug for the wonderful guests. It was awesome to see Dick Ciccarelli in our midst. We hurt with you Dick and we will keep you and Jean in our thoughts and prayers. One of our members, Lowell Michels is in the Roseville Kaiser hospital fighting an unusual problem. Lowell has taken a drug to control cholesterol for several years and all of a sudden his body started having a negative reaction to the medicine. His condition is very serious but he is making progress in his fight. Our thoughts and prayers are with you Lowell. Again I plead with you Brethren: Keep me informed. If you know of someone who needs a call, let me know. "Gracias". WORDS TO LIVE BY: "Talent is God-given; be thankful. Praise is man-given; be humble. Conceit is self-given be careful. (Dave Driscoll

I look forward to seeing the Regulars: Len, Jack, Charlie, George, John, Frank, Alex, Doug, Al, Jim and Howard there. How about bringing a friend each so we can expand our play! Also, we welcome the new members, several of which expressed an interest. Please see me for a set of rules and directions to the courts. Current champs are Len Sampaio and Frank Wilson who will give bottles of wine to the team that beats them. Who can do it?

KNOW YOUR SIR: Carlos Ramirez 791-3358

I was born in Mexico and lived there until I was 13 years old. Our family immigrated to the United States in 1951 and lived in Santa Monica, CA where I attended school. In 1956 I graduated from Santa Monica High School and also became an American Citizen. The following year I met my wife and joined the U.S. Army, luckily I ended up being stationed at a NIKE-AJAX Missile Site only 15 miles from home, two years later Pat and I were married.

I enjoyed my assignment in the Army and ended up spending the next 36 years on active duty and fulltime duty with the California Army National Guard. During my career, I went from Private to Sergeant First Class during my first seven years and from 2nd Lieutenant to Colonel during the next 29 years. During those years I attended numerous Army schools including Command and General Staff and received a BA from New York State University. I had the honor and privilege of commanding A Nike-Hercules Air Defense Battery that was rated the best in the U.S. Army two years in a row. I also served as Executive Officer of a Tank Battalion, Commanding Officer of a Mechanized Infantry Battalion and had numerous Staff assignments culminating as Director of Military Personnel for the California Army National Guard.

Pat and I hope to celebrate our 50th wedding anniversary in June of 2009. We have four children, Rick (48) is a Fireman in Los Angeles and has three children, Ana is single and is a Dental Assistant, Christina is the Fire Marshall for Ventura County and has three children, Gina is a Probation Officer for Sacramento County and has two children. I retired in 1993 and enjoy golf, fishing, traveling, time with family and will always be grateful for the opportunity to serve this great nation and call myself an American.
